Activity Report

Title of the Activity:

Selection of first batch of IEDC Student Leads

Date:

28th February 2024

Time:

10.30 AM

Venue:

Principal's Room

Organizing Unit:

Institution's Innovation and Entrepreneurship Development Centre (IEDC)

Brief Description of the Activity:

The Institution's Innovation and Entrepreneurship Development Centre (IEDC), functioning under the **Kerala StartUp Mission (KSUM)**, was formally established in the college in the year **2023** with the objective of fostering innovation, entrepreneurship, and startup culture among students.

As part of strengthening the IEDC framework and ensuring effective student participation, the **selection of Student Leads for the academic year 2024 (January–December)** was initiated. An online application invitation was circulated among students from all departments of the college, encouraging interested and motivated students to apply for the leadership roles within IEDC.

The applications received were reviewed based on students' interest in innovation, entrepreneurship, leadership qualities, and willingness to actively contribute to IEDC activities. Following the screening process, the final selection was conducted and formally approved during the meeting held on **28th February 2024** in the Principal's Room.

As a result of this process, **15 students** were selected as **IEDC Student Leads** for the period **January 2024 to December 2024**. These student leads will play a key role in coordinating IEDC programs, promoting startup initiatives, assisting in innovation-related events, and acting as a bridge between students and the Kerala StartUp Mission.

Outcome of the Activity:

- Formation of the **first batch of IEDC Student Leads** for the year 2024
- Enhanced student involvement in innovation and entrepreneurial activities
- Establishment of a structured student leadership team to support IEDC initiatives
- Strengthening of the institution's engagement with Kerala StartUp Mission

Number of Student Leads Selected: 15

Future Plan:

The selected IEDC Student Leads will be oriented through training sessions and will actively participate in organizing workshops, ideation challenges, startup mentoring programs, and innovation-driven activities in collaboration with KSUM and internal stakeholders.
