Introduction

The Postgraduate and Research Department of Economics, Catholicate College, Pathanamthitta, organized a career guidance programme titled **“A Talk on Career Opportunities – Journey from Classroom to Career”** on 2 February 2026. The programme was designed to guide students in understanding diverse career pathways available after graduation and postgraduation in Economics and related fields.

The session aimed to bridge the gap between academic learning and professional life by offering practical insights from an experienced academician and alumnus of the department.

Objectives of the Programme

1. To create awareness among students about career opportunities after Economics education.
2. To guide students in aligning academic choices with career aspirations.
3. To motivate students through alumni interaction and real-life career experiences.
4. To provide clarity on higher education, research, and teaching career pathways.
5. To promote informed decision-making regarding professional development.

Methodology

- Expert talk by the resource person based on personal academic and professional journey.
- Interactive session with students addressing career-related queries.
- Discussion on higher education options, competitive examinations, and academic careers.
- Sharing of practical strategies for skill development and career planning.

Programme Highlights

- The session was inaugurated by faculty members of the department.
- Shri. Bharath Sabu T shared his journey from being a student of the department to becoming an Assistant Professor and Head of the Department.
- Emphasis was given to opportunities in teaching, research, civil services, banking, corporate sector, and higher studies.
- Students actively interacted with the speaker and clarified doubts related to career planning.

Participants

- Undergraduate and Postgraduate students of the Department of Economics
- Faculty members of the department

Outcomes of the Programme

1. Students gained a clearer understanding of various career options in Economics.
2. The session enhanced students' confidence in planning their academic and professional paths.
3. Alumni interaction inspired students and strengthened alumni–department bonding.
4. Students became more aware of the importance of skill development alongside academics.

NAAC Mapping

- **NAAC Criterion: Criterion I – Curricular Aspects**
- **Metric Number: 1.2.2** (Academic enrichment and career guidance programmes)

Conclusion

The talk on “**Career Opportunities – Journey from Classroom to Career**” was an informative and motivating session for students. It effectively connected academic learning with real-world career possibilities and encouraged students to plan their future with clarity and confidence. The Department of Economics continues to organize such career-oriented programmes to support students' holistic academic and professional development.
