“Analysis of Union Budget and Panel Discussion”

A Report on Analysis of Union Budget and Panel Discussion organized by Post Graduate and Research Department of Economics, Catholicate College Pathanamthitta

The **Department** organized an academic programme titled “**Analysis of Union Budget and Panel Discussion**” on **10 February 2026 at 9:30 AM** in **Mar Cleemis Hall**. The programme aimed to help students understand the major provisions, policy directions, and economic implications of the latest Union Budget of India.

The session was led by **Dr. Emilda George, Assistant Professor, St. Thomas College, Kozhencherry**, who served as the **resource person**. She provided an insightful analysis of the Union Budget, highlighting its key features related to economic growth, fiscal policy, employment generation, infrastructure development, and welfare initiatives.

During the session, the resource person explained the objectives of the Union Budget, major allocations across different sectors, and the expected impact on the Indian economy. Particular emphasis was given to policy measures aimed at promoting **economic growth, investment, and employment**, in line with **Sustainable Development Goal 8 – Decent Work and Economic Growth**.

The programme also included a **panel discussion**, where faculty members and students engaged in a constructive dialogue regarding the strengths, challenges, and future implications of the budget. Participants actively took part in the discussion, raising questions and sharing perspectives on fiscal priorities, public expenditure, and development strategies.

The programme was coordinated by **Asst. Prof. Bejoy D. Abraham** and **Dr. Niranjana Raj**, and it witnessed enthusiastic participation from **undergraduate and postgraduate students as well as faculty members** of the department.

Objectives of the Programme

1. To familiarize students with the key features and policy directions of the Union Budget.
2. To analyze the economic implications of budgetary allocations and fiscal policies.
3. To promote critical discussion on national economic planning and development strategies.
4. To enhance students’ understanding of public finance and fiscal management.
5. To encourage analytical thinking through discussion and academic interaction.

Methodology

- Expert lecture by the resource person explaining major budget provisions.
- Presentation highlighting sector-wise allocations and fiscal priorities.
- Panel discussion involving faculty members and students.
- Interactive question-and-answer session.

Outcome of the Programme

- Students gained a clear understanding of the structure and significance of the Union Budget.
- Participants developed the ability to critically analyze fiscal policies and their economic impact.
- The programme enhanced awareness of current economic issues and government policy initiatives.
- The discussion encouraged active student participation and improved analytical thinking regarding national economic policies.

Participants

- Undergraduate and Postgraduate students of the Department of Economics
- Faculty members of the Department

Programme Coordinators

- Asst. Prof. Bejoy D. Abraham
- Dr. Niranjana Raj
