

CATHOLICATE COLLEGE PATHANAMTHITTA

Activity Report - Academic Year 2025-2026

Activity Name: CHEMCREATE EXPO 2026

Department/Committee/Club: Department - Chemistry

Name of the Coordinator		Venue	From Date	To Date
Dr. aswathy joseph		Mar Clemis Hall & Dalton's Square	19-02-2026 11:33 AM	20-02-2026 03:28 PM
Nature: outdoor	Activity Type: Enrichment		Scheduled/Unscheduled: scheduled	
Number of Participants: 75		Funding: Non Funding		Amount: 0
Chief Guest: H.G. Dr. Abraham Mar Seraphim Metropolitan				

Brief Information About Activity

Topic/Subject	Entrepreneurship Development Activity
Objectives	To promote student entrepreneurship by providing a platform to design, showcase, and market handmade, eco-friendly, and sustainable products within the college environment.
Methodology	The expo was organized to showcase a diverse range of handmade products developed by students of the Chemistry Department.
Outcomes	Entrepreneurial Skill Enhancement

BRIEF INFORMATION ABOUT THE ACTIVITY

Topic/ Subject of the Activity	Entrepreneurship Development Activity
Objectives	• To promote student entrepreneurship by providing a platform to design, showcase, and market handmade, eco-friendly, and sustainable products within the college environment. • To offer hands-on experiential learning in product development, branding, marketing, sales, and customer interaction, enabling students to acquire practical business skills
Methodology	The expo was organized to showcase a diverse range of handmade products developed by students of the Chemistry Department. The exhibits included items such as hand wash, dishwash liquid, soaps, and essential oils, reflecting the students' application of chemical knowledge to practical product development. Students independently managed their stalls, interacted with visitors, and explained the features, benefits, and applications of their products. This experiential engagement provided valuable exposure to real-world business practices, enabling them to develop essential skills in product presentation, customer relations, and sales strategies—key competencies for entrepreneurial success.

Outcomes	The ChemCreate Expo 2026 resulted in the following key outcomes: • Entrepreneurial Skill Enhancement: Students gained practical exposure to entrepreneurship by conceptualizing, developing, and marketing their products in a real-world setting, strengthening their business acumen and confidence. • Increased Awareness of Sustainability: The focus on eco-friendly products such as hand wash, soaps, and related formulations highlighted the importance of sustainable practices and environmentally responsible product development. • Experiential Learning and Engagement: The interactive and hands-on nature of the expo encouraged active participation from students, faculty, and the local community, enhancing learning through direct involvement. • Scope for Product Commercialization: Several student-developed products demonstrated quality and potential for further refinement, opening avenues for scaling up and introducing them into local markets.

Activity Report: ChemCreate Expo 2026

Organized by:

IEDC (Innovation and Entrepreneurship Development Cell)

Dalton's Conclave – Chemistry Department Association

Catholicate College, Pathanamthitta

Date: 20th February 2026

Venue: Catholicate College, Pathanamthitta

Inaugurator: H.G. Dr. Abraham Mar Seraphim Metropolitan

Collaborator: IEDC, Catholicate College

1. Introduction

The inauguration and logo release of ChemCreate Expo 2026 were conducted by H.G. Dr. Abraham Mar Seraphim Metropolitan at Mar Clemis Hall on 19th February 2026. The expo was subsequently held on 20th February 2026.

This entrepreneurship development initiative aimed to promote innovation, sustainability, and community engagement among students. It provided a dynamic platform for students of the Chemistry Department to design, showcase, and market handmade, eco-friendly products, effectively bridging academic learning with real-world applications.

2. Objectives

- To promote student entrepreneurship through product design, display, and sales.
- To encourage the development of eco-friendly and sustainable products within the college ecosystem.

3. Event Highlights

The expo was inaugurated by Dr. Sindu Jones, who emphasized the importance of innovation, sustainability, and entrepreneurial thinking in higher education. The event featured active participation from students who showcased a variety of handmade products including hand wash, dishwash liquid, soaps, essential oils, detergents, and candles.

MDC Diary Chemistry Students presented Milkemists Diary Products at the expo which was a major attraction of this event. Students independently managed stalls, handled customer interactions, and demonstrated their products, creating an engaging and vibrant environment. The expo attracted students, faculty, and local visitors, enabling practical exposure to marketing, sales, and customer engagement while strengthening community interaction.

4. Outcomes

- **Entrepreneurial Skill Development:** Students gained hands-on experience in product development, marketing, and sales.
- **Inclusive Community Engagement:** Collaboration with Prakashadhara School promoted social responsibility and inclusive entrepreneurship.

- **Sustainability Awareness:** Emphasis on eco-friendly products reinforced environmentally responsible practices.
- **Experiential Learning:** Active participation enhanced practical understanding of real-world business operations.
- **Commercial Potential:** Several products demonstrated quality and potential for further development and local market entry.

5. Conclusion

ChemCreate Expo 2026 successfully showcased the innovative and entrepreneurial capabilities of students while promoting sustainability and inclusivity. The event provided valuable experiential learning and strengthened collaboration between the institution and the community, reinforcing the importance of practical, socially responsible entrepreneurship.

6. Recommendations

- Institutionalize the expo as an annual event.
- Expand collaborations with external organizations and community groups.
- Organize entrepreneurship training programs and workshops to further enhance student preparedness
