CATHOLICATE COLLEGE, PATHANAMTHITTA

DEPARTMENT CUM ASSOCIATION ACTIVITY REPORT
2023- 2024

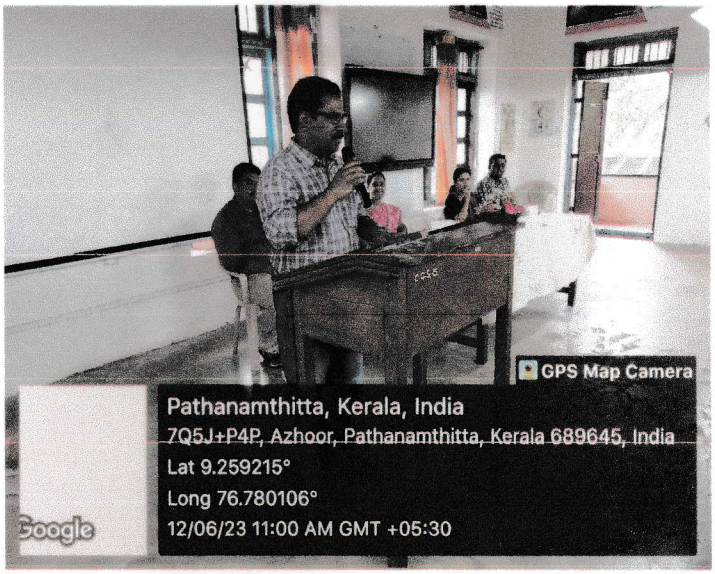

Post Graduate and Research Department of Zoology, Catholicate College, Pathanamthitta, had organized an Association for the conduct of various activities, both curricular and co-curricular activities in the academic year 2023- 24.

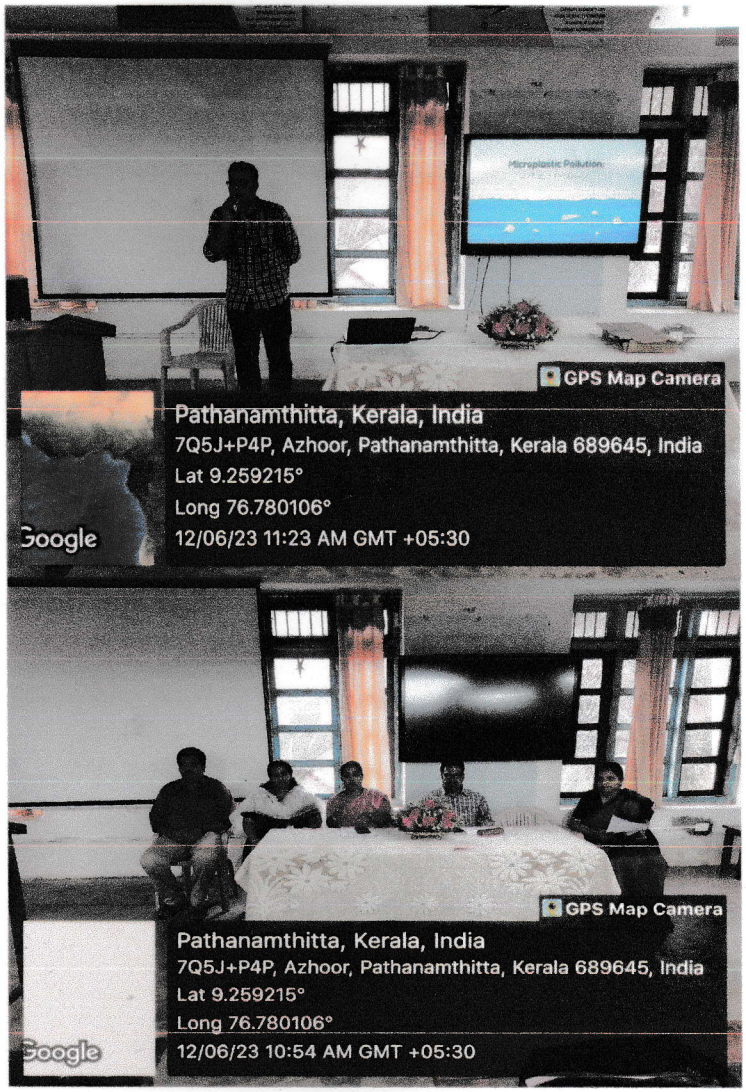

1) World Environmental Day Celebration

Date : 12/06/2023
Time : 10 AM
Venue : B.Sc. Zoology Lab

The Post Graduate and Research Department of Zoology, Catholicate College Pathanamthitta, conducted a ''100 Days to Beat Plastic Campaign" on behalf of the World Environment Day Celebration in association with IQAC on 12th June, 2023.The programme was inaugurated by Dr. Sunil Jacob, Principal of the College. The event was coordinated with the help of Mrs. Liji Koshy, Head of the Department, IQAC coordinator Dr. Renny P. Varghese, Programme coordinator Mrs. Anusha Merin Wilson and other teaching and non-teaching staff. A class was taken by the resource person Mrs. Merlin Mathew, Environmental Scientist at RSB Environmental, Texas, USA on the topic "Combating Climate Change: The Need of the Hour". Another class was taken by Benoy Joy, Final year PG student of Zoology Department on the topic "Micro Plastics".

The programme was completed successfully and feedback forms were collected from the students. This class was very useful and created awareness about how to reduce the overuse of plastic and how every citizen should be responsible for managing plastic effectively to combat plastic pollution.

2) World Elephant Day Celebration
Date : 14/08/2023
Time : 1 PM
Venue : B.Sc. Zoology Lab

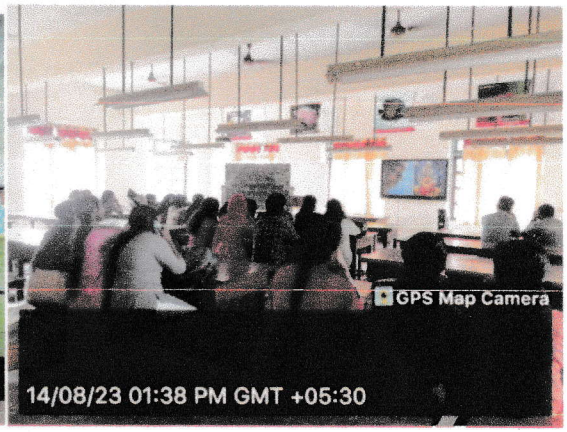

The Post Graduate and Research Department of Zoology, Catholicate College, Pathanamthitta, conducted a "Documentary Show" in observance with "World Elephant Day" on 14th August 2023. The Documentary Show was inaugurated by Mrs. Liji Koshy, Head of the Department of Zoology. The programme was coordinated by the Shaloo Ann Thomas, Asst. Professor, Dept. of Zoology & final year PG students of Zoology Department.

The Oscar winning documentary "The Elephant Whispers" was screened in the programme. The documentary show was completed successfully. This programme was conducted to create an awareness of the sufferings of animals facing due to man wildlife conflicts in the state. It also created an awareness of wild life conservation as it featured moving scenes that showcased the bond forged between the animals and their human caretakers, among students and they learned from it is that by staying connected to wild life.

3) Food Fest

Date : 16/10/2023
Time : 1 PM
Venue : Dalton Square

The Post Graduate and Research Department of Zoology, Catholicate College, Pathanamthitta, conducted a "Food Fest" in observance with "World Food Day" on 16th October, 2023. The Fest was inaugurated by Dr. Sunil Jacob, Principal of the College. The event was successfully coordinated by programme coordinator Mrs. Anusha Merin Wilson and other teaching and non-teaching faculties along with UG and PG students of Zoology Department.

The menu for the fest, which included breads, main course, curry, desserts, drinks, juices, was totally coordinated by the students of Department of Zoology. The Food Fest was completed successfully. It created a good impact on the students where they learned to work in team and various aspects involved in the management of a food processing business.

Amount:			

BRIEF INFORMATION ABOUT THE ACTIVITY

Topic/Subject of the Activity	Exhibition of zoological specimen
Objectives	The programme intends to extend the support to the school by providing & exhibiting the specimen available in the zoology department museum.
Methodology	The exhibits included dry, wet and taxidermic specimen. Few selected student along with the coordinator participated in the exhibition. The exhibition lasted for two days. Students explained the specimen and its taxonomic & ecological importance. Along with the specimen, the department also arranged a stall of vermicopost & zoohoney (products of zoology department) for exhibition & sale
Outcomes	Visualizing the specimen create a memorable learning and a firsthand experience with the specimen.

4) Science Exhibition, Cynosure Expo Nov 2023

Date : 9/11/2023, 10/11/2023
Time : 10 AM
Venue : Citadel Residential School, Ranni

CYNOSURE EXPO NOV 2023

As a part of extension activity a science exhibition is conducted in association with Citadel residential school Ranni named cynosure expo Nov 2023. A team of PG & UG students along with Dr Kiran Joseph represented the department. The expo was conducted on 9th & 10th November 2023. Cynosure expo opens up a new world of science for students to attract them towards various fields of science. It includes branches like physics, chemistry, mathematics, biology and also English. The expo basically gave importance to new inventions that can influence future generations. Various stalls, still models, working models, pet shows and other extracurricular activities were conducted. The Department of Zoology introduced a stall there which includes a display of various museum specimens, from the college museum itself. Several models of rare species were included. The museum specimens were arranged in the order of progressing phyla. Each phylum consists of two specimens. Models of heart, brain, heart, skin and models of fishing materials like fishing boat(mini), trolling net, fishing hooks were there. Stuffed models like *Manis crassicaudata, Vranus, Lutra lutra*, etc. were also displayed.

5) Mosquito-know your enemy

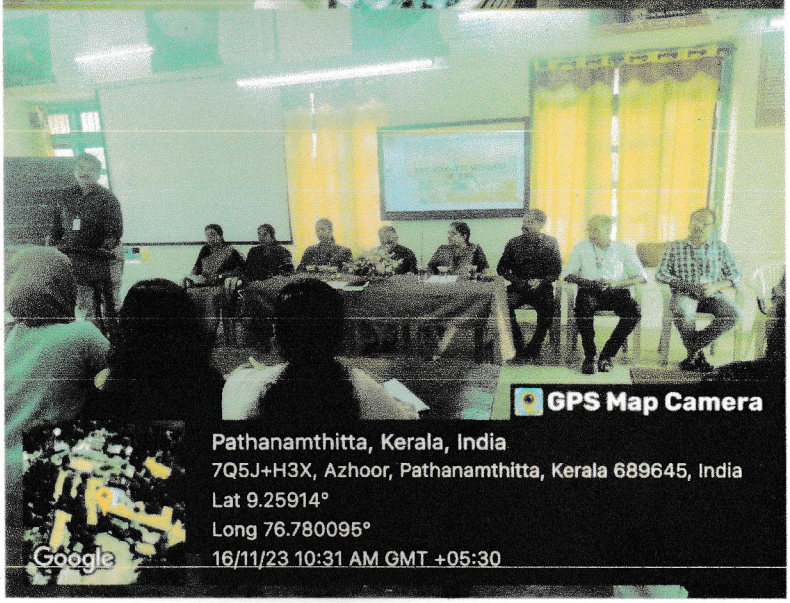

Date : 16/11/2023
Time : 10 AM
Venue : Zoology Lab

VECTOR MONITORING PROGRAMME
"MOSQUITO-KNOW YOUR ENEMY

In association with the district medical office, Pathanamthitta, and IQAC Catholicate College, Pathanamthitta, a vector monitoring programme was conducted on 17th Nov 2023. The programme started with a prayer by Athira Das and Sneha Moincy. Welcome speech and presidential address by Dr. Kiran Joseph and Mrs. Liji Koshy (HOD) respectively. Inaugural address was given by Dr. Renny P Varghese (Principal in charge). Dr. Binoy T. Thomas (Bursar of the college and IQAC coordinator) felicitated the programme. The presentation mainly focused on topics like entomology of mosquito vector and integrated vector management. The class session was led by Dr. Rajashekaran V (District vector borne disease control officer) and Anagha Ajith (zonal entomologist). The programme ended with vote of thanks by Mrs. Anusha Merin Wilson (coordinator of the programme).

BRIEF INFORMATION ABOUT THE ACTIVITY

Topic/Subject of the Activity	Exhibition of zoological specimen
Objectives	The programme inteds to extend the support to the school by providing & exhibiting the specimen available in the zoology department museum.
Methodology	The exhibits included dry, wet and taxidermic specimen. Few selected student along with the coordinator participated in the exhibition. The exhibition lasted for two days. Students explained the specimen and its taxonomic & ecological importance. Along with the specimen, the department also arranged a stall of vermicopost & zoohoney (products of zoology department) for exhibition & sale
Outcomes	Visualizing the specimen create a memorable learning and a firsthand experience with the specimen.

5) Science Exhibition

Date : 22/11/2023
Time : 10 AM
Venue : Metropolitan H.S.S. Puthencavu

As a part of extension activity a science exhibition was conducted in association with Metropolitan H.S.S. Puthencavu. The expo was conducted on 22nd November, 2023. The programme was co-ordinated by Dr. Kiran Joseph, Assistant Professor, Department of Zoology. The Department of Zoology introduced a stall there which includes a display of various museum specimens, from the college museum itself. Several models of rare species were included. The museum specimens were arranged in the order of progressing phyla. Each phylum consists of two specimens. Models of heart, brain, heart, skin and models of fishing materials like fishing boat(mini), trolling net, fishing hooks were there. Stuffed models like *Manis crassicaudata, Varanus, Lutra lutra*, etc. were also displayed.

BRIEF INFORMATION ABOUT THE ACTIVITY

Topic/Subject of the Activity	Campus Bird Count 2024
Objectives	To orient students towards birding and developing the quality of conserving the biodiversity
Methodology	As part of GBBC & CBC, an orientation session was organized. Sri Sreevijay, birder, photographer & former member of bird club, Zoology department led the session where the students were informed about various locally available bird species; the method to identify it and the proper way to handle & upload the checklists in the e-bird databank. Twenty two species of birds were located and 4 checklists were submitted in the databank.
Outcomes	The students got awareness to identify the birds and to use the e-bird databank. They also learned how to locate the bird not just by vision but also by calls.

6) Campus Bird Count 2024

Date : February16-19, 2024
Time : 2 pm
Venue : B.Sc Zoology laboratory

The department of Zoology, Catholicate College, Pathanamthitta, has participated in Great backyard bird (GBBC) and campus Bird count (CBC). The bird club of Zoology Department since its inception in 2021 has been an active participant in the global backyard bird count.

This year GBBC and CBC were observed from 16th to 19th February, 2024. As a part of this an orientation session was conducted for the UG 1st year students on 19th February at 2.00 pm. This session was led by Sri. Sreevijay, birder, photographer and former member of Bird Club. This session provided us an introduction to bird watching and further details about e-birding and identification of different species of birds. Thereafter the team conducted active birding of the campus and recorded 22 species of birds and submitted 4 checklists in e Bird repository.
