Activity Report Talk on Small Scale Industries (10.11.2023)

Postgraduate and Research Department of Botany, Catholicate College, Pathanamthitta organized a talk on Small Scale Industries on 10.11.2023. The resource person was Dr. David K. Daniel (Professor, Chemical Engineering, Amal Jyothi College of Engineering, Kanjirapally). He introduced the PMFME scheme- PM Formalization of Microfood processing Enterprises scheme. The scheme was to promote the development of small scale industries for individuals or self help groups. Under this scheme industries can be developed for production of food items from the Jack fruit (One district one product ODOP Pathanamthitta District) or any other materials. The parents and students from first year and second year degree classes participated in the meeting.
