

CATHOLICATE COLLEGE PATHANAMTHITTA

FEEDBACK REPORT 2019-20

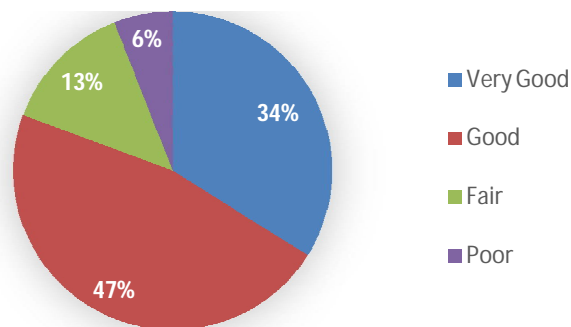

Students Feedback

During the academic year 2019-20, the IQAC feedback Committee collected feedbacks from all the stakeholders of the institution using Google forms. Well-structured Google forms, prepared with the aim to collect realistic responses were circulated among students. All these feedbacks were analyzed by using a 4-point rating scale.

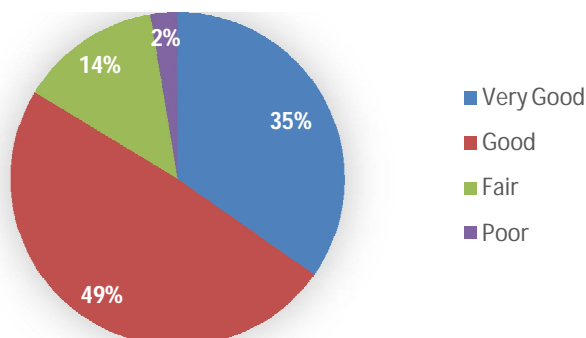

1. The Teachers cover the entire syllabus

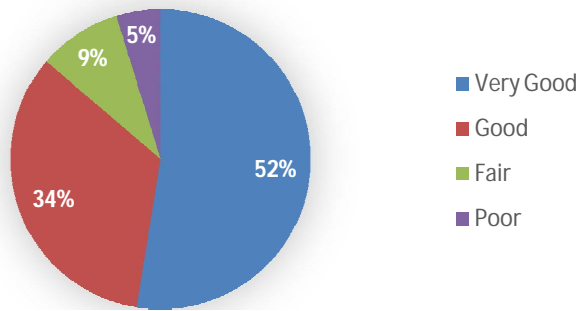

2. Comment on the internal evaluation process adopted by the institution

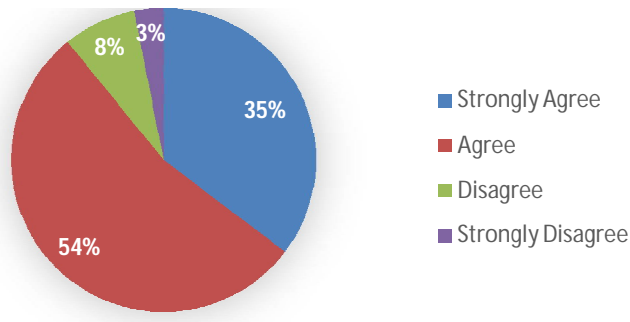

3. Comment on the infrastructure facilities of the institution

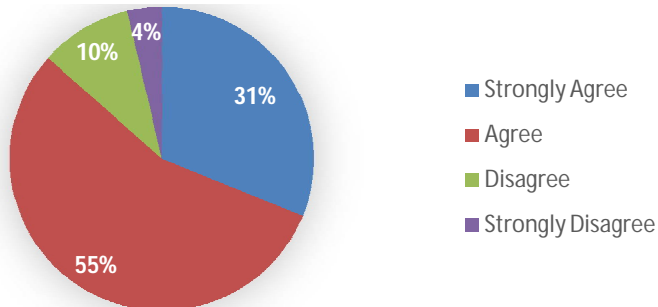

4. Library Facilities

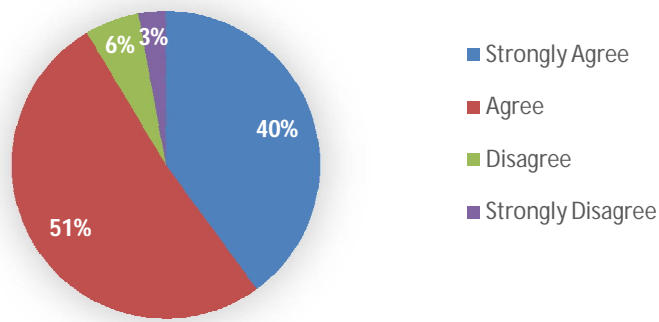

5. Teacher encourages the students to participate in extra-curricular, co-curricular activities and research projects

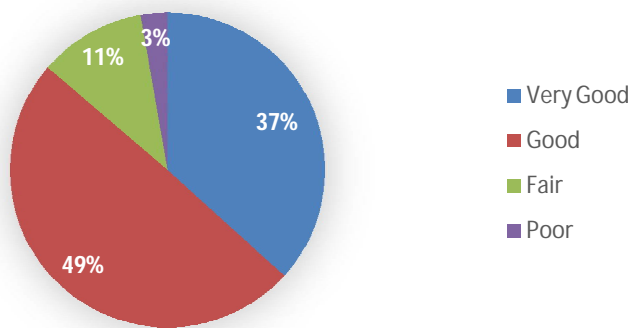

6. Help students in facing physical, emotional and learning challenges

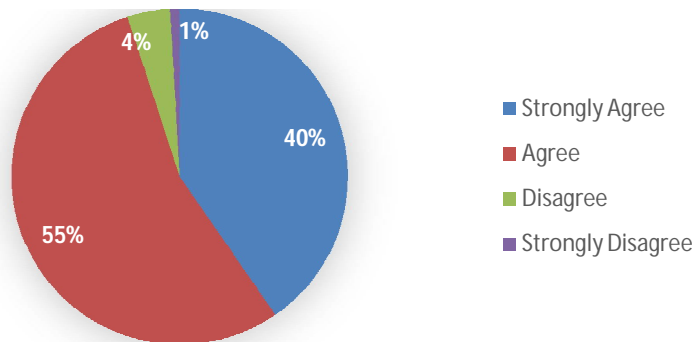

7. The institution offers opportunities and facilities to students irrespective of Gender

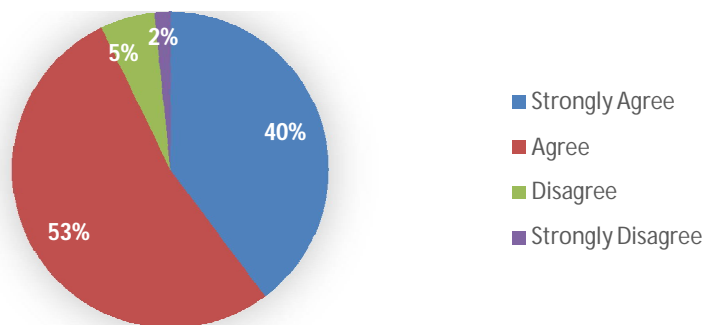

8. Capacity of curriculum in supporting higher studies Science

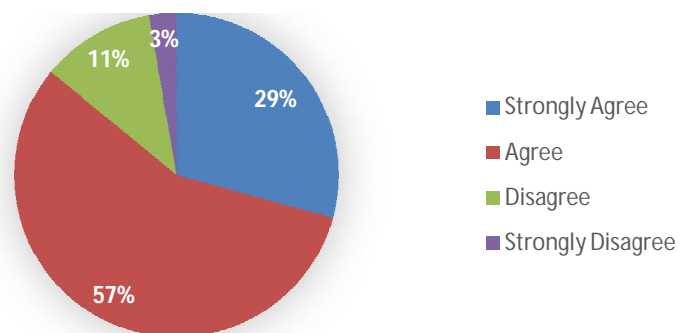

9. The teacher helps the students in smooth conduct of lab experiments

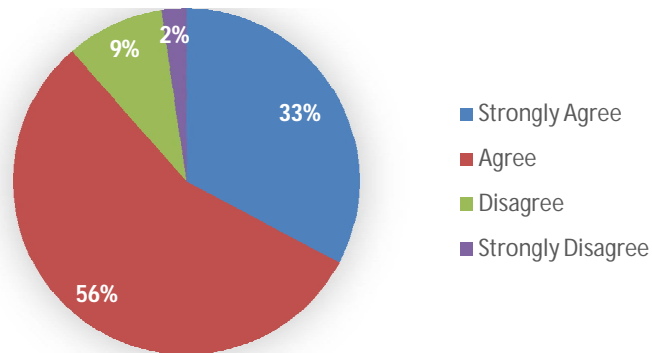

10. The teacher's attitude towards the students is friendly & helpful

11. Helps students in realizing their strengths

12. Helping attitude towards various academic interests of the students

A survey of PG and UG students' response on the completion of the syllabus revealed that 38% of the students strongly agree that the teachers completed the entire syllabus, while 48% agreed, thus the majority had a positive response. It is to be noted that 14% expressed their disagreement regarding this matter. The data regarding the students' comment on the internal evaluation process adopted by the institution elicited a positive response - 34% of the students' responded very good and 47% as good. Students' comment on the infrastructure facilities of the institution reveal that 35% claimed very good and 49% good. Regarding library facilities 53% suggested that they were greatly satisfied and 34% claimed good. 35% strongly agree and 54% agree in the survey of teacher encouragement of the students to participate in extra-curricular, co-curricular activities and research projects. The data evolved from the survey regarding the institution's opportunities and facilities to students irrespective of Gender too elicited a positive response; 40% strongly agreed, 51% agreed and 9% expressed their disagreement. Regarding the teacher's attitude towards the students, 40% strongly agreed regarding the friendly & helpful attitude of the teacher, while 53% agreed.
