INTRODUCTION

Catholicate College owes its existence to the innate vision of the greatly lamented H.H Baselios Geevarghesse II, the Catholicos of the Malankara Orthodox Church and H.G. Puthencavil Geevarghese Mar Philoxenos, the then Metropolitan of Thumpamon Diocese. The college had the prayerful guidance of H.G.Daniel Mar Philoxenos, the first principal of the college, and who later became the Metropolitan of Thumpamon Diocese. Recently the college has celebrated its Diamond Jubilee.

The college was formally inaugurated on August 6th 1952 by the Honorable Raja Pramukh of Travancore - Cochin, H.E. (late) Sri. ChithiraThirunal Raja Raja Varma. The most virtuous H.H. Baselius Geevarghese II laid the foundation of this educational institution on the serene hilltop at Makkamkunnu, west of Pathanamthitta town, Kerala. In 1952 the college was affiliated to the university of Travancore, then University of Kerala. Now it is affiliated to Mahatma Gandhi University, Kottayam. The college upholds the motto. "The Fear of the Lord is the beginning of wisdom" with the vision "To create an educated enlightened society for a brave new world'. The college secured Christian minority institution status on 2012 from the Govt of India. The primary objective of the college is to provide an academic and social environment in which students can flourish. The management focuses mainly on imparting value-based education through quality teaching and learning which is aimed at the holistic and intuitive growth of the individual. In all levels, teaching and non-teaching staff and also students cooperate in an atmosphere of mutual respect to realize the vision and mission of the institution.

Even during the COVID pandemic, faculty of the college, under the guidance of the holy fathers and the management, proved their mettle and it was reflected in the academic and non-academic achievements of the students. Nearing its Platinum Jubilee, achievements of the Catholicate College has increased manifold and these achievements are just the outcome of the dedication and hard work of the stake holders of the college.

INFRASTRUCTURE AND LEARNING RESOURCES

Catholicate College is dedicated to the educational and holistic development of its students. It offers both the physical and learning infrastructure necessary to support 13 U.G courses, 14 P.G courses, 8 research centres, 3 Academic Chairs and 2 Add- on courses.

The Academic Blocks are:

- The Science Block : Physics, Chemistry, Botany, Zoology
- Mar Dionysius Block : English, Mathematics, History
- St.Thomas Silver Jubilee Block : Malayalam, Hindi
- St.Mary's Block : Economics
- Administrative Block : Commerce, Physical Education
- H.G. Daniel Mar Philoxenos Diamond Jubilee Block: BCA

All 67 classrooms, 11 HOD rooms and 14 staff rooms are well equipped, comfortable, and Wifi enabled. The Golden Jubilee Library and the departmental libraries function as brain boosters. The 18 science (separately set up UG, PG and Research) laboratories are safe and modern. There are 8 computer labs on the campus. All Departments are technologically updated and connected to the Public Address System. An uninterrupted power supply is provided via a transformer.

The other facilities available on campus are 2 Seminar/Conference Halls with centralised AC, one mini Digital and two Science Theatres, a multifunctional NUHRO language lab, Botanical Garden and Museum, Ginger House, Phycotechnology Lab, Animal House, Zoology Museum, and Sophia Counselling Centre. IGNOU study centre and Rutronix centre are also available to students.

Physical Education:

In this era of excessive competition and changing environment, people barely care about their physical well being. Playing regular sports can help in maintaining physical well being reduce stress and tension in an individual. Catholicate College has the facilities to bolster an active sports culture on campus. Coaching is provided to students in various sports under the supervision of two permanent Physical Education faculties and the aegis of Kerala Sports Council and District Sports Council. The college conducts an annual Sports Day and intramural

competitive events, from which participants are selected for University, State and National level competitions.

The College has facilities for outdoor (Football, Volleyball, Basketball, and Badminton courts and a 200-meter track) as well as indoor games (Caroms, Chess, Table Tennis, Judo, Fencing, Taekwondo, Weight Lifting and Power Lifting). There are two pavilions, a gymnasium and a Yoga Hall. The Health and Fitness Clubs work alongside the Physical Education Department. Health Centre oversees the Amenity Centre and first-aid.

Cultural activities are conducted in the Heritage Auditorium, Open Auditorium, or departmental seminar halls. Faculty Members nominated as Staff Advisors to the College Union, Arts Club, and the Editorial Board of the College Magazine over see their activities.

The student centre is available to students to meet and organize activities.

Library:

Our library is fully automated and well-maintained books are bar coded and issued through computer. The library is having a well-balanced collection of books in all the subjects according to the new syllabus. The personnel at the library guide the users about various collections in the library using OPAC/ web OPAC. Library kiosk machine provides easy search modules to access Catalogued books, new arrivals, Periodical links etc. The computer section with high-speed nodes/ terminals gives uninterrupted access to NLIST project.

- Name of ILMS software – Campus Net ERP software, Info weavers
- Nature of automation (fully or partially) – Fully
- Version -5.0.1
- Year of Automation-2004
- Library Kiosk machine and Library E-gate facilities are available.

IT facilities

The college is powered with sufficient computer facility. A total of 147 computers with memory of 2GB or more RAM and a capacity of minimum 250 GB Hard disk are installed at various locations. The students and teachers are provided with free internet facility in the library. The students are permitted to access the internet provided in the Departments also. All the departments can access the internet with the Wi-Fi provided by the office using routers. Devices such as GIGA POE switch Net gear, access point devices and routers help in providing uninterrupted internet connectivity inside the campus. All the students are provided with INFLIBNET facility. Research students are beneficiaries of ICT in pursuing advanced research and publication by the utilization of close to 6000 e-journals through INFLIBNET.

Licensed Software such as MS OFFICE, WINDOWS, TALLY, PEACHTREE, MATHEMATICA, SPSS, FIREFLY, PHYSIO EX, MATLAB, SOLVER SUITE, ORIGIN, TELL ME MORE etc., are used. A Centralized printing and scanning facility are available for the smooth conduct of internal exams and other reprographic requirements of the departments. The College organizes orientation programmes for students and teachers to familiarize them with the latest ICT technology in teaching -learning process. ICT enabled technology and power

point is being used by the students for their Seminar and paper presentations. ICT is promoted in library and administration by making available requisite hardware and software in areas like payroll, student database, results, library catalogue, security, connectivity, etc. Outsourcing is done for maintenance and repairing of IT infrastructure such as computers, wifi facility etc. The institution plans to increase the student to computer ratio from 15:1 to 6:1 and to increase the broad band access speed from 200 MBPS to higher level.

ACTION PLAN FOR 2020-21

1. To strengthen the knowledge of teachers and students through exposure to real life Situations.
2. To recommend the management to provide financial assistance for more infrastructural developments.
3. To encourage students to take up research projects, paper publications, Field visits etc.
4. To develop initiative programmes like WWS, ASAP etc.
5. To implement virtual labs (for experiential learning) in all Science departments and Initiatives to make the college a nodal centre for virtual lab training.
6. To encourage our graduate and postgraduate students to pursue careers in research through SCHOLAR HUB (Learner to Scholar) programme.
7. To upgrade and update institutional website.
8. To introduce new aided programmes.
9. To conduct more programmes to create awareness among students regarding the need to develop scientific temper and logical reasoning.
10. To conduct more socially responsible programmes and events.
To make use of the possibilities of advanced practices like virtual and online teaching

CONCLUSION

On this concluding remark, we would like to thank the God almighty and the Holy fathers of Malankara Orthodox Church for the blessings and strength they showered on us during difficult times. The academic year 2019-2020 which was shadowed by Flood and the Corona pandemic was a period of struggle and fight for survival for everyone. The academic community who found ingenious methods to strive through this turbulent period effectively and efficiently deserves special appreciation. This annual report is nothing but the result of the hard work put in by the academic and non-academic staff of this college. Various departments of this college took genuine effort to conduct seminars and workshops in their respective subjects to enrich their students. We would like to extend our gratitude to all of them.

Special thanks must be conveyed to the IQAC coordinator, who effectively organized the IQAC actions towards the NAAC accreditation, which is to happen in the near future.

We would like to conclude this report by extending our thanks and prayers to all who work in this endeavor of preparing our institution to scale new heights in all facets. May the blessings of the Holy fathers and the God always light your paths.
